Germo

625ZA2G25

Quilted jacket with fleece lining

Our Germo really is a smart looking jacket. But don't let its smooth and nimble appearance misguide you; it is all but of little substance. On the inside it is lined with a soft fleece fabric so it will keep you cosy and warm when the weather gets frigid. Germo can be zipped into our Tornhill (608Z) and Cumbria (603Z) jackets

Quilted jacket with fleece lining

Germo - 625ZA2G25
