

Reflex[®] Hydro

Reflex[®] Hydro is a thermal lined latex coated glove, perfect for wet and cold conditions. The Reflex[®] brand is synonymous with quality and high performance, and the Reflex[®] Hydro is no exception. The three-quarter crinkle latex coating is extremely flexible and designed to give maximum grip in wet conditions, providing the user with assured handling at all times. The glove has excellent tear resistance and good abrasion, cut and puncture resistance making it extremely durable and long lasting.

Typically used for:

- Automotive Engineering
- Construction Work
- Warehouse Work
