

### Material

Main: 60% polyester, 40% cotton, 290 g/m<sup>2</sup>.  
Reinforcement: 100% polyamide CORDURA®, 205 g/m<sup>2</sup>.

An extremely tough and hardwearing material, used to reinforce exposed parts such as pockets, knees and sleeves. It is also water and dirt repellent, easy to care for and retains its shape.

## High-Vis Trousers Class 2

Everyday use work trousers built to offer personal protection and visibility in hazardous environments. The trousers offer a reliable combination of working comfort, protection and flexibility.

Loose fit work trousers featuring reflective tape that offers Class 2 visibility in dim light conditions and hazardous environments. The hardwearing trousers come with dirt and dust protection and are designed to withstand the wear and tear of everyday use. In addition, reinforced leg ends offer enhanced durability while KneeGuard™ system with CORDURA® reinforcements ensures reliable knee protection. Pre-bent legs and gusset in the crotch provide extra flexibility and ease of movement during intense work. Plenty of space for profiling.
