

Material

Main: 85% polyester, 15% Cotton, 270 g/m².
Reinforcement: 100% polyamide CORDURA®, 205 g/m².

An extremely tough and hardwearing material, used to reinforce exposed parts such as pockets, knees and sleeves. It is also water and dirt repellent, easy to care for and retains its shape.

High-Vis Tool Vest Class 1

High-vis tool vest designed for practical tool carrying and storage, featuring mobile pocket, holster pockets and front tool pockets. Plenty of space for profiling.

Versatile high-vis tool vest designed for everyday use. The vest is made of durable fabric and features CORDURA® reinforcements for enhanced longevity. In addition, reflective material provides Class 1 visibility for extra safety in dim light conditions and hazardous environments. An inside expander makes it possible to wear the vest with or without a jacket while an integrated belt reduces pressure on shoulders.

- Mobile pocket
- Integrated belt
- Adjustable shoulders
- Inside expander
- ID badge for added functionality
